

POSTCARDS MUST CONFORM TO RULES

Fifteen Thousand Easter Greetings Thrown Out of Mail Last Year.

In the hope of heading off the flood of improperly addressed and unmailable Easter postcards, which descends annually on the Richmond post-office at this time of the year, Postmaster Hay T. Thornton issued yesterday a bulletin of information on the subject. Last year about 15,000 postcards were thrown out of the mail here, either because of imperfect address or because they failed to conform to the regulation of the department.

Easter greetings can be mailed only when they conform to the rules contained in the following bulletin:

All 1-cent postcards must be an unglazed piece of flexible cardboard, conforming to two sizes only: 3 1/2x5 1/2 inches or 3 1/2x4 1/2 inches. If made of any other material whatever, such as leather, wood, iron, tin, aluminum or celluloid, or if any other size than stated above, or having written matter thereon, other than the address of the sender or that of the addressee, such cards require letter postage (2 cents), sealed or unsealed. In all such cases, the postage must be attached to the envelope.

All postcards having any substance attached, such as cloth, wood, metal, in the nature of pennants, emblems, etc., containing any written matter thereon other than the address of the sender or that of the addressee, require letter postage (2 cents), sealed or unsealed. In all such cases, the postage must be attached to the envelope.

READY TO HANDLE LARGE DEMANDS

Seats for May Festival of Wednesday Club to Be Put on Sale To-Day.

From indications given in the last two weeks, there will be a big demand for accommodations this morning when seats for the concert of the Wednesday Club's May Festival, on May 11 and 12, are placed on public sale. The officers of the club have prepared to handle a large crowd and the ticket agents will be ready to begin the sale at 8 o'clock. The seating capacity of the City Auditorium is no large and affords so many desirable seats for a social affair that there is little likelihood that any persons will fail to get what they want.

Already more than \$5,000 has been taken in by the club from subscribing members. Despite the fact that fully 500 seats for every performance have been disposed of, there remain at least 1,000 desirable seats for each concert. Only persons who subscribed weeks ago to all three concerts have secured their tickets, and absolutely no sales have been made to the general public. Officers of the club say they have never seen anything equal to the interest shown in the concert this far ahead.

The cause for such unprecedented interest is found in the program prepared for the festival and the grand opera stars engaged to sing. Among those to take part in the concert are Alma Gluck, Frieda Hempel, Louise Homer, Olive Kline, Sophie Braslau, Paul Althouse, Pasquale Amato, the Wednesday Club chorists and the orchestra of the Metropolitan Opera.

JOHNSON FAVORS RICHMOND PLANT

Telegraphs Mayor He Will Urge Building Locomotives in This City.

President L. E. Johnson, of the Norfolk and Western Railway Company, telegraphed Mayor Ainslie and Governor Stuart yesterday that he was personally in favor of having the forty new engines, ordered by his road, built in Richmond. The message, which is in reply to a telegram sent President Johnson on Tuesday by the Mayor, asking him to urge the building of the engines at the Richmond plant of the American Locomotive Company, follows:

Roanoke, Va., April 8, 1914.
George Ainslie, Mayor, Richmond, Va.
Sir—We are asking bids for forty engines, if American Locomotive Company is successful. I, of course, favor Richmond, and will do everything I can toward having the engines built within the Commonwealth of Virginia.

L. E. JOHNSON.
The locomotives ordered are of the Mallet type, and will cost each about \$25,000. It is stated that the Richmond plant can on short notice prepare to handle this \$1,000,000 order. The building of the engines at the Richmond plant, it is pointed out, if the American Locomotive Company's bid is as low as the bids of competing companies, would result in a substantial saving in delivery charges, since the local shops are within short hauling distance of the Norfolk and Western tracks at Petersburg.

President Stevens, of the Chesapeake and Ohio Railway Company, has telegraphed President Johnson, according to the appeal of Mayor Ainslie. Similar messages have been addressed to Mr. Johnson by other influential citizens of Richmond.

Governor Stuart last night received the following reply from President Johnson to his telegram urging that the order be sent here:

Roanoke, Va., April 8, 1914.
Henry C. Stuart, Governor, Richmond, Va.
Your wire. I have not as yet placed order with American Locomotive Works. I am asking for bids for forty engines. If American Locomotive Company is successful in securing order I shall use all the influence I have to have these engines built at the Richmond shops. It is my purpose to bring all the work into the State of Virginia that I possibly can.

FEAST OF PASSOVER BEGINS TO-MORROW

Festival Lasts a Week, and Is the Oldest in Jewish Calendar.

Richmond Jews will begin to-morrow evening the observance of Pesach, more popularly known as the Feast of Passover, the oldest church festival of the Jewish calendar. Its observance dates back nearly 3,500 years. As the commemoration of the emancipation of Israel from Egyptian bondage, the people's entry into the dignity of national life, it virtually marks the birth of the Hebrew people.

A main characteristic of its celebration has always been domestic. The Feast of Passover lasts one week. In the homes, the families and invited friends gather on the first evening—in orthodox homes, also on the second evening—to recount in song and story, and observe with appropriate symbolism, the deliverance of Israel. The ceremonial Passover feast at the homes is known as the Seder.

The main symbols of the Seder service are the roasted lamb bone, reminding the celebrants of the lamb that was slaughtered as a sacrifice of the Covenant; the Matzah or unleavened bread that is eaten during the whole week, which recalls the hasty preparation with which the Israelites hurried out of Egypt; and the bitter herbs, suggesting vividly the bitter lives of the ancient Jews in Egypt.

The Feast of Passover is full of significance for the modern Jew. To his unfortunate brethren still plining in slavery in Russia and Roumania, it sings the song of ultimate redemption. To those who dwell under the flag of freedom it brings an appreciation of the higher civic duties and the responsibilities of civic and religious liberty.

At Beth Ahabah Passover services will begin to-morrow evening at 8:15 o'clock. The service will be held at 11 o'clock on Saturday morning the services will begin at 11 o'clock, and Dr. Calisch will preach on "The Significance of the Passover." The public will be welcomed.

Building Permits.
Permits were issued yesterday by the Building Inspector as follows:

James Eppes, to build a detached two-story frame dwelling on the east side of Twenty-sixth Street, between S and T Streets, \$1,500.

A. J. Holmes, to build a detached two-story frame dwelling on the east side of Calhoun Street, between Hickory and Roanoke Streets, \$150.

C. Houston, to build a two-story dwelling on the west side of Linden Street, between Main Street and Floyd Avenue, \$1,000.

A. F. Newman, to repair brick dwelling at 2208 East Grace Street, \$100.

The Rev. Silasway Fay, D. D., who has been preaching every Sunday night in Lent to an audience which filled the large cathedral, will preach also on these two nights. To-night his subject will be "The Bread of Heaven"; on to-morrow night, "The Lamb of God." After the sermon an English hymn will be rendered by the large choir of men and boys in the sanctuary, and the other half of the Tenebrae office, which is the burial service of our Lord—will be resumed. Toward the end the candles of Zachary, which reignited at the death of Christ, the quartet will render a selection referring to His crucifixion. Subsequent-

ONE WHOLE WEEK AS CLEAN-UP TIME

Negro Organization Society Starts State-Wide Campaign Like That Last Year.

The Negro Organization Society of Virginia, through R. R. Moton, of Hampton, and J. M. Gandy, of Petersburg, is planning for another State-wide "Cleaning-up Campaign," April 25 to May 2, similar to the Clean-up Day so effectively observed last year by the colored people in every community of the State.

Last year the society arranged with the State Board of Health to set apart and observe one whole day as clean-up time for negroes all over Virginia. As an aid to a proper observance of the health day, the health board published and distributed, free of cost to the society, a special health bulletin, in which were given instructions as to how to proceed in the matter of effective cleaning.

Health bulletins this year will be sent in large numbers to the negro ministers, teachers, doctors and other leaders of the people in every city and county of the State, to be read, distributed and explained to the masses of the people as they gather in the churches, schools and other places of assembling.

Special letters accompanying copies of the health bulletins will be sent to almost all of the white and colored newspapers of the State, the editors of which have uniformly opened their columns and news space to a wide publicity for the health movement.

The great possibilities for good to all the people of Virginia, especially to the colored people, shown by the results of last year's Clean-up Day, have convinced the Negro Organization Society of the advisability of arranging for another beneficial cleaning-up time. This year the colored people are planning for a whole week, called "The General Cleaning-up Week," beginning April 25 and ending May 2.

TWO VACANCIES IN STATE SENATE

Federal Appointments Will Result in Resignations of Hart and Moncure.

State Senator John M. Hart, whose appointment as Collector of Internal Revenue for the Western District of Virginia has just been confirmed, was in Richmond last night. Both Senator Hart and Senator R. C. L. Moncure will present their resignations as members of the State Senate to Lieutenant-Governor Elyson at once. It is expected that steps will be taken to issue writs for special elections in the two senatorial districts probably on the date of the regular November elections, in order that both districts may be represented at the special tax session in January. Primaries may be held at some convenient time in the summer or fall.

Senator Hart represented the fourth senatorial district, which is composed of Roanoke and Montgomery Counties and the cities of Roanoke and Radford.

Senator Moncure represented the thirteenth senatorial district, composed of the counties of Spotsylvania, Stafford, Frederickburg, a former member of the House of Delegates; Dr. T. Welsh Dew, of Spotsylvania County,

and Delegate R. Lindsay Gordon, Jr., of Louisa County.

BURGLAR IN ROOM

Mrs. Sagal Found Hand Grappling Under Pillow and Screamed.
Awakened suddenly from her sleep shortly after midnight yesterday, Mrs. D. Sagal, of 5 North Twenty-first Street, felt a hand groping beneath her pillow and observed a man standing by her bed. As she started to scream a hand clutched her throat, and a voice warned her not to make an alarm. Mr. Sagal was awakened by the movement of his wife, and the burglar, evidently fearing to attempt to cope with both, dashed from the room, escaping through the front door. When the Sagals arose after the

burglar's sudden exit they found that he had stolen a watch valued at \$30 and \$2 in money. Watch and money were under Mrs. Sagal's pillow. She was unable to give a description of the burglar.

Chester Wiltshire, colored, thirty-two years old, was arrested last night by Policemen Waters as the man who entered the home of and robbed the Sagals. Wiltshire is said to have spent a term in the penitentiary for cutting his wife's throat.
